

Hong Kong International Education Fair - Summer

Information

Hong Kong International Student Fair has become the most popular and informative education event in Hong Kong since its debut in 2004. The large-scale and well-found study resources exchange platform favors this event to be the most popular summer Expo of its kind in the city.

Reasons to Attend

The fair is well-positioned to continue delivering rich information exposures and timely preparation for candidates* and parents in tandem with the release of 1st HKDSE and HKAL results.

In 2019, over 20,000 visitors and 400 education providers from 20 countries and regions (Hong Kong, China, the U.K., the U.S.A., Australia, New Zealand, Canada, Switzerland and Japan), gathered to provide students with the latest career-oriented programs and academic courses. A wide spectrum of learning programs in diplomas, higher diplomas, associate degrees, bachelor degrees, master degrees, and vocational training will be available.

Market Overview

Hong Kong is a Special Administrative Region of the People's Republic of China and has a population of 7 million people. It is a dynamic market environment, now being influenced positively by major education reforms and changes to the academic structure being phased in between 2009 and 2012.

There is a well-established tradition among Hong Kong families of sending their children to study overseas. According to a Thematic Household Survey Report on 'Hong Kong students studying outside Hong Kong', by the Census and Statistics Department in December 2010, there were 66,700 people aged 25 and below who intended to study outside Hong Kong in the next five years.

Fair Outline

Market Overview

Students and parents alike are looking forward to finding out about opportunities to study abroad, making this event essential both for visitors and recruiters.

The number of the CIS students receiving education abroad has grown significantly over the last few years, with English language programs being the most popular courses according to data released by AcademConsult, a local company.

Before Covid, more and more CIS students packed their bags and go to study abroad. The most popular destination in Europe. The latest survey indicates that every third CIS student who is going to study abroad selects United Kingdom, every sixth-seventh - France or Germany. Study in Finland, Sweden and Netherlands is more and more attractive for many young people. High quality of Swiss education in the field of hospitality industry is well-known here. USA and Canada are the most popular destinations for studying abroad outside of Europe.
