University Fairs

UniConnect International Education Fair Morocco

08 Nov 2025

Information

With over a decade of experience in international education event management, this Fair has firmly established itself as the **leading international student recruitment event in the MENA region**. Strategically hosted in **Saudi Arabia, Egypt and Morocco**, the Expo is designed to connect prestigious international academic institutions with thousands of highly motivated prospective students from across the Middle East and North Africa.

The exhibition offers a **comprehensive platform for global universities, colleges, and language schools** to meet and engage directly with a diverse audience of **high school students, parents, university counselors, school principals, and postgraduate candidates**. Our visitors are actively seeking information and admissions guidance for a wide range of academic opportunities, including **foundation, undergraduate, postgraduate, and language programs**.

Whether you're looking to recruit students from high-growth markets, build institutional visibility in the region, or forge relationships with key influencers in international education, **this International Education Fair delivers measurable results**. We invite you to be part of an event that is not only about meeting students but about shaping futures.

Join us at this exhibition and take your student recruitment strategy to the next level—**in the heart of the MENA region's most dynamic education markets**.

The MENA region has become one of the **most promising and dynamic markets** for international student recruitment. With a **youthful population, strong governmental support for education, and growing aspirations for global academic exposure**, countries like Saudi Arabia, Egypt, and Morocco are experiencing a rapid increase in outbound student mobility.

Morocco is also emerging as a key market, with an estimated **12,000 Moroccan students** studying abroad. Many students are fluent in multiple languages (Arabic, French, and increasingly English), making them ideal candidates for international programs.
